HISTORY - It's all Greek to me

Ancient Greek period was between 700 and 480BC.
They were polytheists - they believed in different gods and goddesses that were in charge of different parts of their lives, such as a god of the sea and a goddess of wisdom.
Temples were built in their honour and they featured heavily in the stories of Greek mythology.
Zeus was the most powerful of all the gods. He was god of the sky and the king of Mount Olympus.
Greek styles of art, architecture, philosophy and theatre were developed - these helped shaped our modern society along with science, language and maths.
Athens had a democratic government
Ancient Greeks invented the Olympics
