

Monday 11<sup>th</sup> May 2020

Dear parents and carers,

I hope this letter find you all well.

Following the Government's announcement yesterday which outlined a 'road map' exit plan, I know you will all have lots of questions about children returning to school. Mr Johnson said that children in years R,1 and 6 may return after 1<sup>st</sup> June but that additional guidance would be given this week. Please allow us some time to ensure we have all the right information and to make plans and trust that we will deliver this information to you as soon as it is clear.

I have heard wonderful feedback from many parents on the work and activities their children have been doing at home. I firstly wanted to thank you for the AMAZING job you are doing in these tricky times. Please don't worry if home learning doesn't go as planned or if you have a difficult day, the main thing is to keep everyone happy and healthy and just do what you can. I know the teachers are providing you with plenty to keep you busy but please don't feel badly if you are not able to complete all the work provided. There as been great interaction through Class Dojo (years 1-6) and through the Interactive Learning Diary (Nursery and Reception) and teachers have really enjoyed this. Please remember that if you have any questions about the work, you can contact teachers through dojo or email me so that I can speak to teachers on your behalf [surchr@redoaks.org.uk](mailto:surchr@redoaks.org.uk) .

If you are unable to print/access activities through Dojo and ILD, please visit the website where all these activities and many more are posted. There is also a wealth of additional information including contact details if you have safeguarding concern or if you would like to be able to talk to a senior member of staff. There is always someone available in the school office during school hours.
